When Lola Visits - Michelle Sterling 2021-05-18

Four starred reviews! In an evocative picture book brimming with the scents, tastes, and traditions that define a young girl's summer with her grandmother, debut author Michelle Sterling and illustrator Aaron Asis come together to celebrate the gentle bonds of familial love that span oceans and generations. For one young girl, summer is the season of no school, of days spent at the pool, and of picking golden limes off the trees. But summer doesn't start until her lola—her grandmother from the Philippines—comes for her annual visit. Summer is special. For her lola fills the house with the aroma of mango jam, funny stories of baking mishaps, and her quiet sweet singing in Tagalog. And in turn, her granddaughter brings Lola to the beach, to view fireworks at the park, and to catch fish at their lake. When Lola visits, the whole family gathers to cook and eat and share in their happiness of another season spent together. Yet as summer transitions to fall, her lola must return home—but not without a surprise for her granddaughter to preserve their special summer a bit longer. * BookPage Best Books of the Year * The New York Public Library's Best Books of the Year * Kirkus Best Books of the Year * An ALSC Notable Children's Book of the Year * A CCBC Choices Pick of the Year *

[Kindness Rules! \(A Hello!Lucky Book\)](#) - Hello!Lucky 2019-04-09

Manners don't come naturally to everyone! But did you know that

elephants are known for their impeccable etiquette? It's true! This hilarious guide to good manners offers many fun teaching moments for kids and their parents—it covers all the basics for the preschool set, from saying “please” and “thank you” to sharing and being kind to others. Filled with bright, adorable illustrations in Hello!Lucky's inimitable style, young children will love learning about manners with this delightful, sturdy board book.

The Great Irish Science Book - Luke O'Neill 2019-10-04

Join Trinity's Professor Luke O'Neill on the greatest journey of them all. From the very big to the very small - vast galaxies to microscopic atoms - travel through the wonders of the universe, the mysteries of the human body, and the tiny world of molecules. Discover the Irish scientists that have helped to shape our world and find out how to become one yourself. How do we measure the universe? Why do we need plants? How do our bodies repair themselves when we are ill? What species will exist on earth in a million years' time? Discover the answers to these questions and a lot more in this thrilling and engrossing book packed with fascinating phenomena, vibrant illustrations, experiments you can do yourself, and heaps of fun facts.

Children of the Rising - Joe Duffy 2015-10-08

Children of the Rising is the first ever account of the young lives violently lost during the week of the 1916 Rising: long-forgotten and never

commemorated, until now. Boys, girls, rich, poor, Catholic, Protestant - no child was guaranteed immunity from the bullet and bomb that week, in a place where teeming tenement life existed side by side with immense wealth. Drawing on extensive original research, along with interviews with relatives, Joe Duffy creates a compelling picture of these forty lives, along with one of the cut and thrust of city life between the two canals a century ago. This gripping story of Dublin and its people in 1916 will add immeasurably to our understanding of the Easter Rising. Above all, it honours the forgotten lives, largely buried in unmarked graves, of those young people who once called Dublin their home.

Michelle Obama - Anna Doherty 2019-10-17

This is the absolutely astonishing, fantastically feminist and, best of all, totally true story of one amazingly inspirational global icon! Meet the marvellous Michelle Obama: A+ student, passionate piano player, and a girl who's not afraid to dream big. Determined to make the world a better place, the grown up Michelle gets to work in helping the community in whatever way she can. But then she meets and falls in love with Barack Obama, who is equally passionate about changing the world and he tells her he wants to become the first African American President of the United States, Michelle knows it's time to really find her voice... This inspiring, empowering and fantastically feminist book is the perfect gift for young rebels with big dreams!

Join Tom on a time-travel adventure to ancient Egypt . . . if you can find him!

I Look Up To... Ruth Bader Ginsburg - Anna Membrino 2018-10-02

If you can see it, you can be it! Introduce your child to your role models with this series of inspirational board books. It's never too early to introduce your child to the people you admire! This board book distills Ruth Bader Ginsburg's excellent qualities into deliciously illustrated little baby-sized bites, with text designed to share and read aloud. Each spread highlights an important trait, and is enhanced by a quote from RBG herself. Kids will grow up hearing the words of this influential woman and will learn what YOU value in a person! The I LOOK UP TO . .

. series aims to shine a spotlight on women making a difference in the world today, and to encourage young kids to follow in their footsteps!

This is Ireland - Miroslav Sasek 1964

Full-color paintings capture the beauty of the Irish scene. Grades 5 and up.

Facts! - Tracey Turner 2017-09-07

Discover a fact for everyone, everyday, in this book. Explore a world of topics, from hilarious animals, to unbelievable-but-true science facts, mind-blowing space stats, to incredible human achievements. You can even look up what extraordinary event happened on your birthday! Did you know that Ancient Romans used wee to whiten their teeth, and to do their laundry' Or have you heard of the parrotfish, which covers itself in a cosy, thick layer of its own slime before it goes to sleep' Why not celebrate New Year's Eve like the Estonians- tuck into seven meals to give you strength for the year ahead. Delicious! It 's most important to know that you should never shake hands with a bushbaby- the animals pee on their paws so that they leave a smelly trail wherever they go. Find out all this and much, much more, with enough facts for even the most curious reader. Also includes seasonal and on this day ' facts for added curiosity and fun, plus a completely random mix of everything else you can imagine. These facts are brought to life with stylish, full colour illustrations from Fatti Burke. Her charmingly beautiful artwork makes this a book to keep coming back to.

The Little Book of Irishisms - Aimee Alexander 2021-03-02

If an Irish person said to you, "Gimmie that yoke," would you think they were talking about an egg? If so, 99% of the time, you'd be wrong. How about banjaxed, bockety or craic? Any idea what they mean? The Little Book of Irishisms is for anyone who wants to understand the Irish, not just our words but how we are as people, relaxed about some things, picky about others. It's also for those who'd like to sound Irish, even just for Paddy's Day. You'll learn tricks to Irishify your chat - and how to avoid those clangers that people think we say but never do, like the classic, "Top of the morning to you." If you're coming to Ireland and want to fit right in, this book's for you. If you can't make it, here's a way of

visiting in spirit. "Go on, go on, go on. You will, you will, you will," to quote the infamous Irish comedy, Father Ted. The Little Book of Irishisms is the perfect novelty gift for St. Patrick's Day, as a Christmas stocking filler, or at any time to someone who appreciates what it means to be Irish.

The Great Irish Politics Book - David McCullagh 2021-10-22

The latest book in the Gill Books series of important topics tackled by experts, this engaging guide demystifies political systems, elections, voting, and government, and explores issues including human rights, freedom of speech, and fake news.

What the Dinosaurs Saw - Fatti Burke 2022-02-15

With amazing facts and awe-inspiring illustrations, *What the Dinosaurs Saw* is a vibrant depiction of the earliest days of our universe and life on Earth. Our whole universe began as a tiny dot, filled with so much hot, dense energy that it burst. This event was the Big Bang, and from the remnants of that explosion, our whole universe was born. From those earliest beginnings 3.5 billion years ago to the mighty dinosaurs who roamed Earth 250 million years ago, this is the story of how life adapted, evolved, and survived exploding stars, flying meteoroids, and natural disasters. Watch our world come to life amid bubbling volcanoes and electrical storms in this vibrantly illustrated account of life on Earth before humans.

Ireland - Ann Poeschel 2017-12-15

Ireland has an intriguing and ancient history. Often associated with Saint Patrick, leprechauns, and fairies, Ireland offers many more interesting events, sights, and traditions to its visitors. This book captures the country's language, economy, environment, celebrations, and more through brightly colored pages filled with fun facts, vivid photographs, and easy-to-read language. Readers learn what makes Ireland the country it is today.

The Legend of the Icelandic Yule Lads - Heidi Herman 2015-03-11

The Legend of the Yule Lads is well-known among Icelanders and has been passed down from generation to generation for over 1,500 years. The country's rich history of legends and folktales featuring a host of

mystical creatures is reflected in this unique Christmas tale about trolls. However, like many of Iceland's legends, the story of the Yule Lads is virtually unknown outside of the country. This particular story can be traced back to 13th Century and the Snorri Sturluson's Edda. The Edda refers to the recognized mother of the Yule Lad's, a horrible ogress named Gryla. In that time, Gryla and her many troll offspring were said to terrorize children, hauling badly behaved children off in great burlap bags to be later eaten. The tales of Gryla and the Yule Lads became so gruesome and disturbing that in 1746 a public decree was issued to forbid parents from using these stories to terrify children. In the years since, the Yule Lads' character has been softened from horrible trolls to mischievous tricksters. As the legend goes, the Yule Lads come down from the mountain, one each day starting 13 days before Christmas. They stay through Christmas Day, then leave, one each day, in the order they arrived. In 1932, a popular poem was written about the Jolasveinarnir [Yule Lads] by Johannes from Kotlum and it first appeared in the book Jolin Koma [Christmas is coming]. As presented in Johannes poem, each of the Yule Lad's name reflects their particular brand of mischief.

Stekkjastaur (Sheep Cote Clod) starts things off on December 12th and is best known for stealing sheep's milk. Giljagaur (Gulley-Gawk) arrives the next day and is preoccupied with sneaking into the barn to steal cow's milk. Stufur (Shorty) steals bits of food left on frying pans while Thvorusleikir (Spoon-licker) steals spoons from the kitchen to lick and Pottasleikir (Pot-licker) steals pots and pans for the leftovers. Askasleikir (Bowl-licker) arrives next and sneak away

British Museum: Find Tom in Time, Ancient Rome - 2020-06-02

Join Tom on a time-travel adventure to ancient Rome . . . if you can find him!

[The Great Irish Farm Book](#) - Darragh McCullough 2020-09-18

Everything your child needs to know about Irish farms! Did you know that there are almost 2,000,000 pigs in Ireland? And that sheep have rectangular pupils, which means they have amazing vision? Would you believe only 10 per cent of the milk produced in Ireland is consumed here? And that hens are pregnant for 21 days, but a horse can be

pregnant for up to 345 days? How about the fact that despite our love of spuds, grass is Ireland's top crop, covering 3,700,000 hectares, while potatoes cover only 9,000 hectares? From the farmer's day to the changing of the seasons, from animals and crops to machinery and technology, and from ancient times to the modern day, *The Great Irish Farm Book* will take you on a fascinating journey through life on an Irish farm.

Brian Boru - John Burke 2019-03-22

Learn about the life and times of Brian Ború in the second book in John & Fatti Burke's Little Library Get ready to make your knowledge a bit bigger by learning all about the warrior king that was Brian Ború. Brian Ború grew up in a large warrior family over 1,000 years ago in Killaloe, Co Clare. One of twelve sons, Brian and his brothers practiced raids on other counties from the River Shannon. Eventually, Brian's army and navy grew to be so big that he became King of all Ireland. But up in Dublin, the Vikings were invading. So he gathered his men and went into battle ...

Tales from Old Ireland - 2000

Offers readers a collection of tradition Irish tales featuring characters of legend and lore.

The Rebels of Ireland - Edward Rutherfurd 2009-02-24

Edward Rutherfurd's stirring account of Irish history, the Dublin Saga, concludes in this magisterial work of historical fiction. Beginning where the first volume, *The Princes of Ireland*, left off, *The Rebels of Ireland* takes us into a world transformed by the English practice of "plantation," which represented the final step in the centuries-long British conquest of Ireland. Once again Rutherfurd takes us inside the process of history by tracing the lives of several Dublin families from all strata of society - Protestant and Catholic, rich and poor, conniving and heroic. From the time of the plantations and Elizabeth's ascendancy Rutherfurd moves into the grand moments of Irish history: the early-17th-century "Flight of the Earls," when the last of the Irish aristocracy fled the island; Oliver Cromwell's brutal oppression and confiscation of lands a half-century later; the romantic, doomed effort of "The Wild Geese" to throw off Protestant oppression at the Battle of the Boyne. The reader sees through the eyes of the victims and the perpetrators alike the painful realities of the anti-Catholic penal laws, the catastrophic famine and the massive migration to North America, the rise of the great nationalists O'Connell and the tragic Parnell, the glorious Irish cultural renaissance of Joyce and Yeats, and finally, the triumphant founding of the Irish Republic in 1922. Written with all the drama and sweep that has made Rutherfurd the bestselling historical novelist of his generation, *The Rebels of Ireland* is both a necessary companion to *The Princes of Ireland* and a magnificent achievement in its own right.

Irelandopedia Activity Book - Fatti Burke 2016-03-15

Irelandopedia is a breathtakingly exciting collection of natural wonders and exciting experiences from every corner of Ireland. Children will love this tie-in activity book in which they can colour, spot the difference, test their knowledge and search throughout Fatti Burke's amazing illustrations.

[A Perfect Equation](#) - Elizabeth Everett 2022-02-15

A PopSugar and BookBub Most Anticipated Romance of 2022! How do you solve the Perfect Equation? Add one sharp-tongued mathematician to an aloof, handsome nobleman. Divide by conflicting loyalties and multiply by a daring group of women hell-bent on conducting their scientific experiments. The solution is a romance that will break every rule. Six years ago, Miss Letitia Fenley made a mistake, and she's lived with the consequences ever since. Reaching herself to compete for the prestigious Rosewood Prize for Mathematics, she is suddenly asked to take on another responsibility—managing Athena's Retreat, a secret haven for England's women scientists. Having spent the last six years on her own, Letty doesn't want the offers of friendship from other club members and certainly doesn't need any help from the insufferably attractive Lord Greycliff. Lord William Hughes, the Viscount Greycliff cannot afford to make any mistakes. His lifelong dream of becoming the director of a powerful clandestine agency is within his grasp. Tasked with helping Letty safeguard Athena's Retreat, Grey is positive that he can control the antics of the various scientists as well as manage the tiny mathematician—despite their historic animosity and simmering tension. As Grey and Letty are forced to work together, their mutual dislike turns to admiration and eventually to something...magnetic. When faced with the possibility that Athena's Retreat will close forever, they must make a choice. Will Grey turn down a chance to change history, or can Letty get to the root of the problem and prove that love is the ultimate answer?

[Constance Markievicz](#) - John Burke 2019-08-30

The third book in the Little Library series. When your collection is complete, you'll have a little library - and big knowledge! Discover the

REVOLUTIONARY that was CONSTANCE MARKIEVICZ! Constance Markievicz grew up in Co. Sligo in the late 1800s with a dream: she wanted Ireland to become free and the people to be treated fairly. She spent her life working to make these things happen. With rebellion in the air, she was asked for advice on how a lady should dress. Her answer? 'Dress suitably in short skirts and strong boots, leave your jewels in the bank and buy a revolver.' And the Easter Rising began ...

Amelia Earhart - John Burke 2017-09

Amelia Earhart, one of the most famous aviators in history, earned glory and celebrity in a profession dominated by men. She took her first flying lesson in 1920 and within two years had established a world altitude record. More records followed, and in 1932 Earhart became the first woman to fly solo across the Atlantic Ocean. In 1937, on a leg of what was planned as an effort to fly around the world, Earhart and her navigator, Fred Noonan, disappeared over the Pacific Ocean. Her disappearance remains one of aviation's greatest mysteries. Book jacket.

The Book of Shadows - E.R. Murray 2016-09-09

The follow up to the critically acclaimed children's title *The Book of Learning*. • A magical story with an Irish setting for readers aged 9-12 years; appeals to both boys and girls. • The follow-up to the Dublin UNESCO City of Literature Citywide Read 2016: *The Book of Learning*. • An exciting fantasy adventure from the publishers of the Arthur Quinn series. In this exciting follow-up to the Dublin UNESCO City of Literature Citywide Read 2016, *The Book of Learning*, heroine Ebony Smart is settling into her role as guardian for the Order of Nine Lives. All seems quiet until she receives a peculiar silver box from an anonymous sender and is tasked with returning it to a mystery owner. Ebony discovers that Zach and Judge Ambrose have allied with a powerful ancient demon, and are more determined than ever to steal her soul and control the fate of the world. To defend the Order and defeat the demon, Ebony and her pet rat, Winston, must unravel the mystery of the silver box, free the trapped souls in the Reflectory and mount a daring rescue. Can she find the strength and courage needed to defeat the enemy, prove herself the rightful guardian and save all of their lives?

13 Buildings Children Should Know - Annette Roeder 2009-04-23

The world's most iconic buildings are made accessible and exciting for young readers in this colorful introduction to architecture that changed the world. Children's fascination with buildings is a natural outgrowth of their curiosity about anything strange or huge or complex. This unique book brings together thirteen architectural wonders that have intrigued children for years. Through activities such as games, quizzes, drawings and other activities, it teaches them the history behind each of the buildings, and presents fascinating facts about the design, historical use, and construction techniques. This book features pyramids built by men with pulleys, a tower that leans, an opera house shaped like a sailboat, a museum built like a spiral, and the most recent example, a "bird's nest" stadium where the 2008 summer Olympics were held. Each of these buildings and more are introduced to young readers through lively texts

and illustrations that will serve to heighten their interest and knowledge about the world's most important architecture, and perhaps inspire them to dream and build on their own.

Tom Crean: the Brave Explorer - Little Library 4 - John Burke 2020-02-14
Tom Crean was one of ten children who grew up on a farm near Anascaul in County Kerry. He loved adventure and, at the age of 15, he ran away to join the British Navy and sail around the world. While his ship was moored in New Zealand, Tom met Captain Robert Scott. Scott's dream was to be the first person ever to reach the South Pole and he asked Tom to join his crew. Get ready to discover epic tales of endurance, bravery and determination in this inspiring life story of Tom Crean.

Captain Tom Moore - Maria Isabel Sanchez Vegara 2020-11-24
From the critically acclaimed Little People, BIG DREAMS series, discover the life of Captain Tom Moore, the veteran who raised over £30 million for the UK's National Health Service during the 2020 coronavirus pandemic. Once there was a humble boy from Yorkshire, England called Tom, who was born with his feet firmly on the ground. His determination and courage saw him and his comrades through the worst crisis the world had ever known: World War Two. So when a new crisis struck in 2020, just before his 100th birthday, Captain Tom knew just what to do. Aiming to raise £1,000 for the NHS by walking 100 laps of his garden, his story soon became known all over the world, with people donating so much that he quickly raised over £30 million! Captain Tom's story shows us that, by coming together, we can dream bigger than ever, and that when the going gets tough, you just have to keep on walking. This inspiring book features stylish and quirky illustrations and extra facts at the back, including a biographical timeline with historical photos and a detailed profile of the Captain's life. Little People, BIG DREAMS is a best-selling series of books and educational games that explore the lives of outstanding people, from designers and artists to scientists and activists. All of them achieved incredible things, yet each began life as a child with

a dream. This empowering series offers inspiring messages to children of all ages, in a range of formats. The board books are told in simple sentences, perfect for reading aloud to babies and toddlers. The hardcover versions present expanded stories for beginning readers. Boxed gift sets allow you to collect a selection of the books by theme. Paper dolls, learning cards, matching games, and other fun learning tools provide even more ways to make the lives of these role models accessible to children. Inspire the next generation of outstanding people who will change the world with Little People, BIG DREAMS!

British Museum: Find Tom in Time, Ancient Greece - 2021-07
