**Work's a Bitch and Then You Make It Work** - Andrea Kay 2012-01-09

Are you frustrated by the

indignities of life in today's workplace? More work, longer hours, fewer benefits, incompetent bosses—career consultant and expert Andrea Kay has heard it all. In her new book, Kay connects with the 85 percent of the workforce who feel unsatisfied with their careers. Readers will immediately recognize themselves in the stories she tells, gleaned from the thousands of unhappy workers who have responded to Kay's nationally syndicated column and appearances. But Kay doesn't just explore what's wrong with the workplace today; she empowers workers to think about their careers in a new way, to get past disillusionment and feelings of powerlessness to see the possibilities and control they do have. She counsels readers on how to aim high and be fearless in presenting new ideas; how to cope with the unpredictable; how to determine whether a company is a good match for you; how to define the kind of work arrangement you want, and get

up the nerve to ask for it. Throughout the text and the thought-provoking exercises that accompany it, she offers ways to take concrete and positive steps that will improve both your career and your life. Work may indeed be a bitch sometimes, but with Andrea Kay's help, readers will work it out.

*The Enduring Shore* - Paul Schneider 2000-05-08

A history of Cape Cod, Martha's Vineyard and Nantucket Even before the Pilgrims landed in 1620, Cape Cod and its islands promised paradise to visitors, both native and European. In Paul Schneider's sure hands, the story of this waterland created by glaciers and refined by storms and tides-and of its varied inhabitants-becomes an irresistible biography of a place. Cape Cod's Great Beach, Martha's Vineyard, and Nantucket are romantic stops on Schneider's roughly chronological human and natural history. His book is a lucid and compelling collage of

seaside ecology, Indians and colonists, religion and revolution, shipwrecks and hurricanes, whalers and vengeful sperm whales, glorious clipper ships and today's beautiful but threatened beaches.

Schneider's superb eye for story and detail illuminates both history and landscape. A wonderful introduction, it will also appeal to the millions of people who already have warm associations with these magical places.

"This volume has well-researched management case studies that are drawn from real life issues in non-government organizations. Participants who have been active in the NGOs have written the majority of the case studies included in this volume." "These case studies are designed to help develop professionals to build and enhance the capacity of the social sector. The Asia-Pakistan specific contents of this teaching material are geared to the needs of NGO personnel,

academics, students, consultants, management developers and policy makers in developing countries and donor funding agencies."-- BOOK JACKET.

**WBCN and the American Revolution** - Bill Lichtenstein  
2021-11-30

How Boston radio station WBCN became the hub of the rock-and-roll, antiwar, psychedelic solar system. While San Francisco was celebrating a psychedelic Summer of Love in 1967, Boston stayed buttoned up and battened down. But that changed the following year, when a Harvard Law School graduate student named Ray Riepen founded a radio station that played music that young people, including the hundreds of thousands at Boston-area colleges, actually wanted to hear. WBCN-FM featured album cuts by such artists as the Mothers of Invention, Aretha Franklin, and Cream, played by announcers who felt free to express their opinions on subjects that ranged from recreational drugs to the war in Vietnam. In this

engaging and generously illustrated chronicle, Peabody Award-winning journalist and one-time WBCN announcer Bill Lichtenstein tells the story of how a radio station became part of a revolution in youth culture. At WBCN, creativity and countercultural politics ruled: there were no set playlists; news segments anticipated the satire of *The Daily Show*; on-air interviewees ranged from John and Yoko to Noam Chomsky; a telephone "Listener Line" fielded questions on any subject, day and night. From 1968 to Watergate, Boston's WBCN was the hub of the rock-and-roll, antiwar, psychedelic solar system. A cornucopia of images in color and black and white includes concert posters, news clippings, photographs of performers in action, and scenes of joyousness on Boston Common. Interwoven through the narrative are excerpts from interviews with WBCN pioneers, including Charles Laquidara, the "news dissector" Danny Schechter, Marsha Steinberg, and Mitchell

Kertzman. Lichtenstein's documentary *WBCN and the American Revolution* is available as a DVD sold separately.

*Fodor's 99 New England* - 1998

*Fodor's Cape Cod, Nantucket & Martha's Vineyard* - Fodor's Travel Publications, Inc. Staff 2011
