A well-known fairy tale takes on a new twist! Once upon a time on the shore of the Salish Sea lived a bold, brave young girl bursting with the spirit of adventure. When she inherits a red-velvet cape her mother wore as a child, she sets off on a journey through the woods to bring her great-grandmother a surprise for her birthday. Who does she meet along the way? A wolf, who has a surprise of his own! This well-known Grimms' fairy tale takes on a new twist in a Pacific Northwest setting. A young girl who lives by the Salish Sea inherits a red-velvet cape and the nickname Little Red Riding Hood from her mother when she's old enough to venture out on her own. As Little Red goes off on her first solo adventure to surprise her great-grandmother, who lives deep in the woods, her mother reminds her to stick to the trail around the mountain. And to watch out for wolves! But Little Red quickly forgets her mother's advice! A big wolf, who seems so friendly, convinces her to

take a shortcut over a mountain. So off she goes in a new direction, meeting other animals who assist her on the way, never suspecting that the wolf is making his own plans to visit her great-grandmother's house with a big surprise!

**The Wolf's Story** - Toby Forward 2022-09-13

Little readers will love second-guessing this funny, fractured fairy tale that replays the story of Little Red Riding Hood from the poor maligned wolf's point of view. No, please. Look at me. Would I LIE to you? It was the old woman who started it. Everyone knows there are at least two sides to every story, and if you believe in the big-eared, sharp-toothed villain of Little Red Riding Hood, there's a logical explanation for everything. As our antihero tells it, it all starts with the helpful wolf doing odd jobs for Grandma (are you sure you don't want to sit a little closer?). How was he to know that he spoiled Little Red would come along and ruin a good working relationship? Zooming in dramatically from strategic angles, the amusing

illustrations offer visual clues that this is a story to be taken with a grain of salt -- and a lot of giggling.
