Amazing Grace-My Chains Are Gone - Dennis Allen 2007-09-01

Lovers of acoustic-flavored, guitar driven worship will want to consider this collection of songs from the likes of Chris Tomlin, Matt Redman and other contemporary worship leaders. The Allens weave several of the songs into blended-worship medleys based on particular themes (e.g., "How Can I Keep from Singing?" is joined with the hymn "I Will Sing the Wondrous Story" and the chorus "I Could Sing of Your Love Forever"). Other nice features include simple but effective narration, rendered by the worship leader (with two optional storytellers). Keeping the narration short (and utilizing familiar songs) allows for the collection to be presented more as a worship concert than a performance, therefore fostering more audience participation than is often the case in a choral musical. The production notes also give instructions for an optional communion service that can be incorporated into the mix.

You have found the easiest simple chord songbook for guitar and piano on the planet! Unlike traditional songbooks, this book includes simple rhythm slash marks to help you follow along and change chords easily in the right place. The great news is that you don't have to be able to read music to successfully play these songs easily and you never have to turn a page to play the full song! This book contains NO LEAD LINES on the musical staff. You can simply strum along and sing your favorite song. This songbook is perfect for performing or playing your favorite songs with simple chords with easy-to-follow rhythms. I spent many years searching for the best chord charts while preparing for weekly worship services, but I became frustrated with because most charts published seem inaccurate to the real life song (the way that the artist would actually play the song on stage). Also, many charts include unnecessary chords that get in the way and make it hard for most musicians to actually sound good playing the song. That is why I have written these simple, accurate, and easy-to-play charts. Using my charts, you can play these great songs with 4 simple modern chord shapes on guitar or piano.

My simple one-page charts will help you play with ease and help you put more focus on what really matters... worshiping God! With this book, you can Strum and Play along on guitar or piano with my YouTube videos for every song at www.worshiptheking.com/playandsing All picked from the Top CCLI reports from worship teams across the country.
