Backpacker - 2007-12

Backpacker brings the outdoors straight to the reader's doorstep, inspiring and enabling them

to go more places and enjoy nature more often. The authority on active adventure, Backpacker is the world's first GPS-enabled magazine, and the only magazine whose editors personally test the hiking trails, camping gear, and survival tips they publish. Backpacker's Editors' Choice Awards, an industry honor recognizing design, feature and product innovation, has become the gold standard against which all other outdoor-industry awards are measured.

HRD, OD, and Institution Building - T. V. Rao
2016-02-08

Watch T. V. Rao and Anil K. Khandelwal talk about HRD, OD, and Institution Building: Essays in Memory of Udai Pareek In this book, leaders from both industry and academia recount Dr Pareek's contributions to HRD, OD, and institution building in India. Dr Udai Pareek, one of India's most influential social scientists of yesteryears, has changed the thought process of many organizations and individuals. He was fondly known as the "Father of HRD" in India. In

this book, leaders from both industry and academia give their original contributions in extending those of Dr Pareek's in HRD, OD, and institution building in India. The learnings from their experiences will serve as a valuable guide to leaders in all walks of life ranging from industry to education and social development. The book showcases Dr Pareek's contributions to HRD, OD, and institution building through the eyes of experts from the industry and academia. *Daily Graphic* - J.K. Addo-Twum 1978-04-19

New Scientist - 1982-02-25

New Scientist magazine was launched in 1956 "for all those men and women who are interested in scientific discovery, and in its industrial, commercial and social consequences". The brand's mission is no different today - for its consumers, New Scientist reports, explores and interprets the results of human endeavour set in the context of society and culture.
