Playway to English Pupil's - Günter Gerngross 1998-11-28
This colourful four-level course is for very young learners aged 5-7 years. English is acquired through play, which means children learn the language and have lots of fun at the same time. At Levels 1 and 2

children learn to use English confidently through listening and speaking before they are taught to read and write at Levels 3 and 4. The course materials include a DVD with entertaining stories and a set of beautifully illustrated story cards to help children

remember what they've learned. For teachers looking for further support, optional components such as picture cards and musical videos are available for extra class work and practice.

Kiss Mommy Goodbye - Joy Fielding 2010-12-10

Now in trade paperback for the first time from Anchor Canada, Joy Fielding's first thriller!

Those goodbye kisses Donna received from her children when ex-husband Victor picked them up for their day's outing with him were for all time . . . forever. Only Donna did not know that, and the memory of her children's kisses on the day they disappeared come back to haunt her, for Victor did not return. Instead, this handsome, twisted man, who had destroyed their marriage and almost destroyed Donna's sanity, vanished with her little boy and girl. And Donna was left with a lover whose love was no longer enough, a new life that had suddenly turned agonizingly empty, and a terror-filled quest to find her children that would take her

across the country and beyond the law . . .

The Absolutely True Diary of a Part-Time Indian - Sherman Alexie 2012-01-10

Bestselling author Sherman Alexie tells the story of Junior, a budding cartoonist growing up on the Spokane Indian Reservation. Determined to take his future into his own hands, Junior leaves his troubled school on the rez to attend an all-white farm town high school where the only other Indian is the school mascot. Heartbreaking, funny, and beautifully written, *The Absolutely True Diary of a Part-Time Indian*, which is based on the author's own experiences, coupled with poignant drawings by Ellen Forney that reflect the character's art, chronicles the contemporary adolescence of one Native American boy as he attempts to break away from the life he was destined to live. With a forward by Markus Zusak, interviews with Sherman Alexie and Ellen Forney, and four-color interior art throughout, this edition is perfect for fans

the magic of Christmas. This is one to pull out every year and savor all winter long! In the merry tradition of classics like The Polar Express, this special picture book captures the holiday spirit. This is a timeless classic one to reread every year and savor all winter long! Long ago, a brave little girl named Anja wanted to be one of Santa's elves. So she leaves a note for her family and helps her elderly neighbor prepare for the holiday, then she straps on her skis, and heads out into the snowy landscape. From a red bird to a polar bear to a reindeer, a menagerie of winter animals help Anja make her way to Santa. A generous trim-size, matte cover, extraordinary photographs, and foiled title make this a special book for the holiday season. And don't miss the other "Wish" books: The Reindeer Wish The Tiny Wish The Brave Little Puppy The Puppy's Wish The Polar Bear Wish

across a range of levels and topics. The activities are designed around authentic scenarios and help students develop specific listening skills, such as listening for details, identifying emotions or listening for opinions. The book is suitable for A2-B2 level students and is an ideal supplement in mixed ability as well as mixed level classes. Spiral binding maximises the longevity of the book and accompanying Audio CDs include recordings for all listening tasks from the book. The recordings expose students to a variety of native and non-native accents and cover a range of genres from radio and television to academic lectures, presentations and conversational dialogues.

Youth Without God -

Christopher Hampton

2019-10-10

The old man started to talk about the trial. He blamed everyone involved, including the teacher, i.e. me. In his view the root cause of the problem was that everybody involved - teachers, parents, boys -

behaved as if God no longer existed. A schoolteacher is denounced and accused of 'sabotage of the Fatherland' when he reprimands a student for making a racist remark. The class petition against him. A murder follows. During the trial, the teacher decides to risk everything by telling the truth. Published in 1937, *Jugend Ohne Gott* is the penultimate novel by Ödön von Horváth. It was judged by Thomas Mann to be the best novel of recent years. This powerful evocation of everyday life in the shadow of fascism also garnered praise from Hermann Hesse, Franz Werfel and Joseph Roth, who called Horváth 'the most clear-sighted chronicler of his age'.

Christopher Hampton's adaptation of *Youth Without God* was commissioned by and performed in Vienna at the Theater in der Josefstadt in 2009. On its tenth anniversary, the play receives its UK premiere at The Coronet Theatre, London.

Their lives are worlds apart.
Can love bridge the distance?

Mary Larkin was hard at work as the office manager at the Green Mountain Country Store when Cameron Murphy brought her dad, Patrick, in to visit. That fateful first meeting, which took place in *You'll Be Mine*, sets the stage for Mary and Patrick's long-awaited romance in *Can't Buy Me Love*!

Mary enjoys her predictable, satisfying life in Butler. If it's a little lacking in excitement, well, that's okay with her. But after meeting Patrick and getting to know him better at his daughter's wedding, Mary is intrigued by the well-known, sexy billionaire businessman.

Patrick is equally intrigued. For the first time since he suddenly lost his wife thirty years ago, he has met a woman who makes him feel less lonely, and all he wants is more of his Sweet Mary from Vermont. Flirty phone calls become a weekend away together that

takes his relationship with Mary to the next level.

But with six hours and two vastly different lives standing between them, can Mary and Patrick find happily ever after together? And after telling her father to keep his hands and everything else off Mary, will Cameron approve of her father's new romance?

The Wave - Todd Strasser
2013-01-08

This novel dramatizes an incident that took place in a California school in 1969. A teacher creates an experimental movement in his class to help students understand how people could have followed Hitler. The results are astounding. The highly disciplined group, modeled on the principles of the Hitler Youth, has its own salute, chants, and special ways of acting as a unit and sweeps beyond the class and throughout the school, evolving into a society willing to give up freedom for regimentation and blind obedience to their leader. All will learn a lesson that will never be forgotten.

Reissue of this Methuen classic to tie in with a major new production The republic of Andorra is invaded by totalitarian forces. The populace capitulates to the anti-Semitism of the aggressor and betrays Andri, the founding son of the local schoolmaster. But Andri it seems, is not a Jew at all. Andorra explores the mechanism of racism with the story of a non-Jew brought up as a Jew, who falls victim to anti-Semitic hostility.

When to Rob a Bank - Steven D. Levitt 2015-05-05

In celebration of the 10th anniversary of the landmark book *Freakonomics* comes this curated collection from the most readable economics blog in the universe. It's the perfect solution for the millions of readers who love all things *Freakonomics*. Surprising and erudite, eloquent and witty, *When to Rob a Bank* demonstrates the brilliance that has made the *Freakonomics* guys an international sensation, with more than 7 million books sold in 40 languages, and 150 million downloads of their *Freakonomics* Radio podcast. When *Freakonomics* was first published, the authors started a blog—and they've kept it up. The writing is more casual, more personal, even more outlandish than in their books. In *When to Rob a Bank*, they ask a host of typically off-center questions: Why don't flight attendants get tipped? If you were a terrorist, how would you attack? And why does KFC always run out of

fried chicken? Over the past decade, Steven D. Levitt and Stephen J. Dubner have published more than 8,000 blog posts on the *Freakonomics* website. Many of them, they freely admit, were rubbish. But now they've gone through and picked the best of the best. You'll discover what people lie about, and why; the best way to cut gun deaths; why it might be time for a sex tax; and, yes, when to rob a bank. (Short answer: never; the ROI is terrible.) You'll also learn a great deal about Levitt and Dubner's own quirks and passions, from gambling and golf to backgammon and the abolition of the penny.
