Misha I can't help but smile at the lyrics in her letter. She misses me. In fifth grade, my teacher set us up with pen pals from a different school. Thinking I was a girl, with a name like Misha, the other teacher paired me up with her student, Ryen. My teacher, believing Ryen was a boy like me, agreed. Until I run across a photo of a girl online. Name's Ryen, loves Gallo's pizza, and worships her iPhone. What are the chances? F*ck it. I need to meet her. I just don't expect to hate what I find. Ryen He hasn't written in three months. Something's wrong. Did he die? Get arrested? Knowing Misha, neither would be a stretch. Without him around, I'm going crazy. Or right under my nose, and I wouldn't even know it. *Punk 57 is a stand alone New Adult romance. It is suitable for ages 18+.

Down London Road - Samantha Young

2013-05-07

A woman used to taking charge is about to meet a man who'll make her lose control in this novel from the New York Times bestselling author of *On Dublin Street*. It has always been up to Johanna to care for her family, particularly her younger brother, Cole. With an absent father and a useless mother, she's been making decisions based on what's best for Cole for as long as she can remember. She even determines what men to date by how much they can provide for her brother and her, not on whatever sparks may—or may not—fly. But with Cameron MacCabe, the attraction is undeniable. The sexy new bartender at work gives her butterflies every time she looks at him. And for once, Jo is tempted to put her needs first. Cam is just as obsessed with getting to know Jo, but her walls are too solid to let him get close enough to even try. Then Cam moves into the flat below Jo's, and their blistering connection becomes impossible to ignore. Especially since Cam is determined to uncover all of Jo's secrets...even if it means taking apart her defenses piece by piece.

Goodbye Unicorns - E. L. George 2018-02

"Goodbye, unicorns." "What?" My heart dropped. "What?" was a stupid question. I knew exactly what she meant. Still, it was hardly the kind of thing I expected to hear a seven-year-old girl mumble as she headed out her bedroom door for what would probably be the last time. To an onlooker, it might make sense. Her room was, in fact, a pink and purple web of horned horses she'd spent more than half her life believing in. But I knew the rest of the story. And her words told me this was worse than a kid finding out about Santa. 'Goodbye unicorns' wasn't happening. Not on my watch. The true story of a little girl looking to find a new faith in the world after losing her mother to the drug epidemic, *Goodbye Unicorns* is a story of love, loss, rebuilding, and what it takes to restore magic for a kid has no reason to believe it exists... Could you have faith again?
