## Learn to Draw Disney Villains -

Walter Foster Jr. Creative  
Team 2018-08-07

Disney Villains, though not the heroes who have captured our hearts, are characters we love to hate. We've cheered on our heroes to conquer these "baddest of the bad," whether it's Cruella De Vil from 101

Dalmatians, the Queen of Hearts from Alice in Wonderland, or Captain Hook from Peter Pan. In Learn to Draw Disney Villains, celebrate the rottenest, most wretched, and most memorable villains in Disney lore by learning to draw them step by step. Professional Disney artists provide drawing

tips to show even beginning artists how to capture, with just a drawing pencil, the incredible personalities and sinister styles of these purveyors of evil. Learn to draw more than 35 Disney Villains—a wicked queen, an evil stepmother, a dark sorcerer, a devious strawberry-scented bear, and more—from such favorite Disney and Disney•Pixar films as Toy Story, Cars, The Little Mermaid, Beauty and the Beast, and Frozen, among others.

creators of Toy Story, Toy Story 2, A Bug's Life, and Monsters, Inc., are bringing a new animated movie, Finding Nemo, to the screen this summer. This visually stunning underwater adventure follows eventful and comic journeys of two fish—a father and his son Nemo—who become separated in the Great Barrier Reef. The underwater world for the film was conceptualized and developed by the creative team of artists, illustrators, and designers at Pixar, resulting in a lush landscape rich with detail. The Art of Finding Nemo celebrates their talent, featuring concept and character sketches, storyboards, and lighting studies in a huge spectrum of media, from five-second sketches to intricate color pastels. This behind-the-scenes odyssey invites the reader into the elaborate creative process of animation films through interviews with all the key players at Pixar. There will be children's books related to Finding Nemo, but no adult titles other than this definitive

volume. Revealing, insightful, and awesomely creative, The Art of Finding Nemo will delight film-goers, artists, and animation fans alike.

**The Psychosocial Implications of Disney Movies** - Lauren Dundes 2019-07-11

In this volume of 15 articles, contributors from a wide range of disciplines present their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for academics to question whether Disney's films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the

Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way forward.
