Prophetic Insight - Earnest N. Bracey 1999

Prophetic Insight explores contentious issues in higher education concerning black students relative to larger society, while providing the competing perspectives needed to understand and evaluate multiculturalism and the diverging exigencies facing the higher education system in America. Ernest N. Bracey invites conversation about the pedagogy of blacks, discusses the current state of Black Studies, the W.E.B. DuBois and Booker T. Washington debate, and Afrocentricity. He invites an appreciation of the beginnings and roots of black education in America, recognizing the debate over affirmative action, and explores the uniqueness of historically black colleges and universities. Most importantly, Bracey provides constructive and analytical information on the necessary methods of examining African American politics and higher education within the context of historical and contemporary issues.
